running this program, Blue Mountain will be providing transportation for the first 25 registered scouts. If your troop has more, or you sign up AFTER the first registered 25, you'll need to work out transportation with your troop's leaders. Blue Mountain Resort is located about 25 minutes from Camp. **STAFF GUIDED?** Camp will indeed be sending a staff member to guide the group and program.

HOW TO SIGN UP? Leaders/Scoutmasters will be able to first register on their DoubleKnot account on [Minsi Trails website](#) when Merit Badge/Program Sign-ups start online, March 15th. The first 25 will be provided the Blue Mountain transportation. Scouts may sign up for this program up-to and including their week at Camp. We'll be confirming that you have scouts attending this program on your Monday meeting with our Camp Director.
